

Membership and Fees

To borrow toys from the toy library you must be a current member of the Dunedin Parent Centre. You then pay an additional \$15 per year to be a member of the toy library. There is no charge for borrowing toys.

Duty

All members will be rostered on to a session about once a year. If you don't come to your session (without giving adequate prior notice) you may be fined \$25.

Borrowing Toys

All toys are issued for two weeks, but can be renewed for a further two weeks. Families may borrow up to two toys and two puzzles at a time. You can place a hold on a toy and you will be notified when it is ready to be picked up.

Overdue Toys

Please return toys in a clean condition by the due date. If you return a toy in a dirty state you may be asked to clean it or it will be re-issued to you to clean and return. Toys returned late will incur an overdue fee of 50c per toy per week

Missing/Damaged Pieces

Each toy comes with a parts list. Please check the toy against this list either before borrowing the toy or when you first get home, and notify the library straight away if there is a discrepancy.

If you can't find a piece when returning a toy please let us know. We may charge a fine of \$3 per missing piece, but will refund \$2 if you later find and return it.

Toys break – even in normal play. Don't be embarrassed if this happens to you, but please let us know when you return the toy. You may be asked to pay for the cost to replace the broken part.
